Application for Credit

In addition to providing outstanding home comfort products and services, Holliston Oil Service, Inc. is always looking for ways to serve you better. One of the best ways we can think of is to extend you credit. Qualified Customers tell us they enjoy the ease and independence this payment method offers.

Once a credit limit is established, you can apply not only your fuel purchases to this plan, but any equipment installations or service calls as well. At Holliston Oil we think this is an ideal way to manage your bill payments and important expenses.

We also offer Automatic Credit Card Deduction as another convenient way to pay your bill. With your permission we can charge your credit card automatically each time you have a delivery or service work. It's easy to set that up.

Any inquiries can be directed to info@hollistonoil.com.

In case of errors or inquiries about your bill contact Holliston Oil Service immediately.
