Dear Scott,

I want to thank you on behalf of the American Cancer Society, the Relay For Life in Ashland and especially those we serve, for your generous contribution of \$250.00 to the American Cancer Society. The Relay For Life in Ashland was a huge success! Together we raised over \$140,000 to help fund research, advocacy efforts and support services for cancer patients. We could not have done this without your tremendous dedication and support. Thank you does not begin to express our appreciation and gratitude.

The event was a celebration! The surrounding towns of Ashland, Holliston, Hopkinton and many others came together to celebrate survivorship. The Luminaria Ceremony held in honor and in memory of those who have been touched by cancer was a beautiful way to pay tribute to those who have battled this disease! Most of all, the Relay renewed our hope for more cancer cures, and ultimately a cancer-free world.

It means so much to all of us committed to this cause to have your support, and I want you to know that your donation is hard at work. Thanks to gifts like yours, people anywhere can access valuable information – free – anytime. And if you ever need support, we'll be here.
