Dear Holliston Oil Service, Inc.,

On behalf of Easter Seals I would like to thank you for your support to the Boston *Walk With Me*. Your generous donation of \$150 helped us raise close to \$50,000.

Your gift means that your disabled neighbors can turn to Easter Seals for the services they need to expand their independence. Independence is a powerful belief for Americans. But for those with disabilities served by Easter Seals, the idea of independence is even more resonant. For them, independence may mean rebounding from trauma, coping with obstacles, and adapting approaches to everyday life. For some, it means mobility, for others, communication. Easter Seals services give children and adults with disabilities the means to navigate the world with dignity.

Easter Seals helps people of all ages, with all kinds of disabilities, to live full and productive lives right in their own Massachusetts communities.

On behalf of all the families who use Easter Seals services, thank you.

Sincerely,

Ken Zuckerman  
Director of Corporate Marketing
