Mr. Scott Damigella  
Holliston Oil  
286 Woodland St  
Holliston, MA 01746-1822

Dear Mr. Damigella:

Thank you for your very thoughtful gift of \$50.00 to our Great Mass Getaway MS 150 Bike Tour in support of Ms. Beverly A. White. Your generous support of the fight against multiple sclerosis will help to change the face of this devastating disease by supporting vital research and comprehensive local programming.

The Central New England Chapter prides itself on our many comprehensive local programs. These programs educate and support individuals with MS and provide them with the resources to maintain a high quality of life. We also respond to the needs of family members who are coping with the difficulties and uncertainties of MS.

Optimism that MS will be overcome has never been greater. Although the answer has yet to be found, researchers are making great strides in the journey to unravel the mysteries of this unpredictable and life changing disease.

Please be assured that this important gift will be spent wisely to make a difference in people's lives. Because of the Chapter's volunteer resources and efficient management policies, we are able to maintain a very low overhead, which means that 85 percent of your donation goes directly to the Society's mission to end the devastating effects of MS.

Again, thank you for joining the fight against MS.

Sincerely,

A handwritten signature in black ink that reads 'Ronald B. Schram'.
